

BG132-L

Specification Sheet

Jangro Air Freshener 270ml Spray Can

USE

Liquid Deodoriser

DESCRIPTION

High quality air freshener & odour neutraliser, formulated to dispel unpleasant odours & freshen your environment.

FEATURES & BENEFITS

- Overcomes & neutralises unpleasant odours.
- Contains a concentrated, long-lasting perfume to freshen your living & working environment.
- Ideal for use in offices, hotels, public rooms, reception areas and washrooms.

HOW TO USE

For use without a dispenser – spray can high into the air in 2 second bursts.
For use with a dispenser (BL132) – place batteries inside the dispenser, then place spray can inside and set options for preferred timing of bursts for freshening.
